CINCO DE MAYO UPATE

Cinco de Mayo was celebrated in style at Schooner Estates on Wednesday, May 5th. Schooner celebrates events such as this throughout the year and residents and staff just love it. The Village Green was decorated from top to bottom in a fun, festive way! As usual, the food prepared by Chef Mike Morton and the Schooner dietary staff was delicious! Below are just a few of the many photos which were taken during the celebration. Are you in the picture?

Father’s Day is Sunday, June 20th. Schooner will be taking the annual Father’s Day photo. All Schooner gentlemen are welcome to be in the picture! Everyone in the photo will receive a copy. Look for the time and place in your June activity calendar.

CRAFTS GALORE

In today's world there can never be too many helping hands. Come to Schooner and you will see a great example of this. Schooner residents meet weekly to knit, sew and crochet, many of the items are given to those in need. Shawls are made and donated to a local hospice house and mats are carefully sewn to give comfort to shelter animals. Tiny hats are made for the newborn babies at the hospitals and the newest creations are beautiful double cloth pockets made to fit over the front bar of walkers. The pockets are constructed by Schooner residents, Edith Lachance and Nancy Wilcox. They are a great idea and everyone loves them! The craft class is also getting a good supply of items ready for the October 2010 Schooner craft fair. You won't want to miss it!

SCHOONER FASHION SHOW

A representative from the Fashion Bug store will provide clothing which will be modeled by Schooner residents and employees. The outfits will be available for purchase at the end of the show. What a great way to see the newest styles and fashions. This event will be held on Thursday, 6/24 at 2:30 p.m. in the Village Green.

MANY SMILING FACES !

Our annual Schooner Mother's day photo was taken on Tuesday, May 4th. Here are the photo's of just a few of the wonderful ladies who reside here at Schooner Estates!

DIANNE DAY

Dianne Day, Schooner Estates' new Controller, always offers a friendly hello and a smile to all she encounters. If you haven't met her yet, when you do, you will see for yourself how inviting she is. She is a welcome addition to the Schooner management team.

Dianne comes to us with considerable experience in the finance and customer service world. She also is quite computer savvy - a very valuable skill for us at Schooner Estates!

Dianne graduated from Thomas College in 1989 with a BS in Accounting and worked in the utility (electric and gas) business for 20 years. She lives with her husband, three active daughters and their dog, a chocolate lab. She enjoys many activities, including hiking, bike riding, travel, and reading.

Welcome, Dianne!
