## SCHOONER CAMDEN BUILDING

For the past several weeks, renovations of the Camden building have been taking place. The updates are now complete and everything looks just great! Below are pictures of the new Camden living room, lobby area, library and the dining room, just in case you haven't already seen them!

**BIG NEWS!** Schooner resident, Florence Dinsmore was the lead walker in the “Relay for Life” Walk for Cancer at Edward Little High School on Friday, June 11th. Her name was announced over the loud speakers and she was graciously welcomed. They gave her a purple “survivor” t-shirt and she walked a 1/4 mile. This is quite fantastic since Florence is 104 years old!

## COME JOIN THE TEAM!

Did you know that Schooner has it's own bowling team? If you haven't joined the fun already, you ought to! Every Tuesday and Thursday morning the

"Wii bowling" game is set up in the Theatre Room (1st floor between the Camden & Searsport buildings).

With the emphasis on gentle motions, balance, and coordination, the game system disguises mild physical activity under a heap of outlandish fun. Doctors say that regular mild activity can protect the body as it ages and extend lives by strengthening bones and loosening joints.

## FASHION SHOW UPDATE

The June 24th "Schooner Fashion Show" was a success! Everyone had fun as residents and employees modeled clothing from "Fashion Bug".

## FATHER'S DAY PHOTO

Pictured below are the participants of our annual Schooner Father's Day photo. The photo was taken in the Village Green and all Schooner gentlemen were invited.

## SUCCESS!

Let's congratulate these Schooner employees who have successfully stopped smoking this year. They feel better already!
