## FABULOUS TRIPS & PHOTOS!

One of the highlights of the summer for Residents is the annual trip to the Kawanhee Inn on Webb Lake in Weld, Maine. The atmosphere is so peaceful, beautiful and serene, while the food is unrivaled anywhere in the area.

The Kawanhee Inn was built in the 1920's by George and Raymond Frank, brothers living in Tenafly, New Jersey and Columbus, Ohio. The Main Lodge and Cabins were built with on site timber and stand today, as they did years ago, a testament to the Frank brother's hard work and ingenuity. From its original Birch decor to the classic hickory furniture, the Inn is proud to have maintained its rustic character.

Pictured here are Residents of Schooner enjoying a perfect summer evening on the rustic screened porch, where everyone agreed to stay as long as they could to soak in the sunset over the mountains and just relax with good company, great food and perfect weather.

Below are pictures taken from the observation tower at the Penobscot Narrows Observatory in Belfast, during a recent Schooner day trip.

## AUBURN COMMUNITY BAND PERFORMANCE

In what has become an annual tradition, Schooner Estates will host The Auburn Community Band's "Season Finale Performance" on Wednesday, September 1st at 6:30 p.m. in the Center Courtyard. A must see event featuring Big Band Sounds, Broadway Show Tunes and some old, but not forgotten All American Favorites. Friends and family are invited. Light refreshments will be served. Hope to see you there!

## SAFETY AWARD WINNER

Scott Lachance, Schooner Residential Care employee, was nominated and chosen as the winner of the 2nd quarter, "Excellence in Safety Award". Scott was chosen because of his quick reaction in helping a resident during an emergency situation. Great job Scott!

## HAPPY ANNIVERSARY!

Schooner residents, Lawrence and Marjorie Arnold, recently celebrated their 65th wedding anniversary.

**Congratulations  
Lornie and Mardi!**

## EMPLOYEE OF THE MONTH

Claire Keaney, one of our Schooner transportation drivers, was chosen as "Employee of the Month" for July! Claire went "above & beyond" her normal job duties by driving a resident to Portland for an emergency medical appointment on the weekend and a few evenings. She is always willing to help in anyway she can to make the lives of our residents easier. Claire is shown accepting a certificate from Mark Prevost.

**The Schooner craft fair will be held in the Village Green on Saturday, October 23rd from 10:00 a.m. to 3:00 p.m.**

## AN AMAZING EVENING

Schooner residents had a wonderful time on Saturday evening, August 21st. The Schooner shuttle drove a group to the Franco American Heritage Center in Lewiston to see the "Chinese Folk Art Ensemble of Boston" perform. All who attended spoke of how great the performance was.

Before the performance, residents were treated to a look at the hot-air balloons that were launched from the weekend's "Balloon Festival" in Lewiston.

Schooner Estates Tenants and staff are raising money for the "American Heart Walk" to be held Sunday, September 19th at 9:30 a.m. at the Auburn River walking trail. Did you know Heart disease is the leading cause of death in this country? You can help with research and development of cures and help to fight this disease.
