How Wonderful

Schooner resident Florence Dinsmore celebrated her 105th birthday on April 2nd. When her family asked what she would like to do on her birthday, her reply was, "I want to go to Burger King". **Happy Birthday Florence!**

EMPLOYEE OF THE MONTH

Congratulations to Kelly Pelletier from the Business Office. Kelly quickly offered her services to the Dietary Staff when they needed an extra hand. Thank you for helping out where there was a need Kelly.

SCHOONER GARDEN PLOTS

It's time to think about planting your garden, no matter how big or small. Memorial Day, which is the official time to start planting outdoors, arrives on Monday, May 30th. Schooner has several raised garden plots that are used by residents for growing flowers and vegetables. Check with Mark Prevost, Resident Services Director, for more information on garden plot availability. The plots are located behind Schooner on the fire road.

ART APPRECIATION

Schooner is pleased to have Portrait Artist, Muralist & Art Instructor Jim Dunn available to give painting lessons to Schooner residents. Residents who have taken his classes enjoy them very much! Whether you are a beginner or have been painting for years, this is a great hobby to continue with. Painting provides an excellent source of personal relaxation and even physical therapy. You will gain self-esteem and a confidence you never knew!

If you are interested in signing up for a class, you may contact Mr. Dunn at 207-491-9780 or call the Schooner front desk at 784-2900, extension 100 - they will put you on the list. He is here every other Wednesday from 9 -12 noon. There is a fee, paid directly to Mr. Dunn, for the class. Classes are held in the Residential Care Living Room. Private lessons are also available. Mr. Dunn will also do a painting for you of a subject from a photograph, such as a cherished pet, etc.
