TIME TO CELEBRATE

Congratulations goes out to our newest member of Schooner's Centenarian Club, Mr. Henry Allan Mitchell. He deserves a standing ovation, an honor and a salute for reaching "100 years" of memories and 100 years of life! Mr. Mitchell celebrated this amazing milestone on his birthday, October 4th! He was joined by several of his family members in Schooner's Castine Living Room. They all enjoyed a delicious meal and the joy of being together to help celebrate such an important day. Mr. Mitchell was honored with a beautiful Centenarian plaque by Mark Prevost.

EMPLOYEE APPRECIATION

Schooner Estates takes pride in recognizing their employees. This years Employee Appreciation Ceremony, complete with door prizes and refreshments, took place in our Village Green on October 17th. All employees received years of service pins along with a gift, with special recognition going to those who have reached milestone anniversaries for 5, 10, 15 and 20 years. Employees received a special appreciation award every Wednesday throughout the month of October. Our Employee of the Year, Nancy Greenleaf, one of our Schooner drivers, was announced and honored at the ceremony. Congratulations Nancy! On behalf of the entire Schooner staff, we wish to thank owners John Ortestis and Barbra Crowley for their time and generosity.

EMPLOYEE OF THE MONTH

Josh Niss is our October Employee of the Month! Josh works in our maintenance department and responds to work requests in order to help keep Schooner in tip top shape. He was chosen for his quick response to the needs and concerns of our residents. We all rely on Josh for his friendly, cooperative and helpful attitude to get the job done right. Congratulations!

Schooner Estates is the place to be for daily events and activities. With the caring people and careful design of Schooner, the sense of security you feel will free your mind for the many activities there are to fill your days. On October 10th, Schooner residents thoroughly enjoyed an exciting day trip to Boston. A sight seeing excursion around the city included such destinations as China Town, Paul Revere's home and lunch in the Italian North End. And let's not forget our yearly trip to beautiful Rangeley, Maine. The Fall foliage was wonderful and the sun was out in full force to help brighten the day even more. Lunch was enjoyed at the Red Onion Restaurant. Below are photos of both activities.
