FLU AND COLD SEASON

Flu and cold season is upon us.
Remember to drink lots of fluid and get
plenty of rest.

A note to all residents and employees:
Inform our nursing department right away
if you are not feeling well. Here at
Schooner, we have containers of fresh,
fruit flavored ice water available daily.
Visit our Camden & Castine coffee bar
areas. Hydration is also important
during the winter months.

• Stay Healthy!!

Have you signed up?
Tenant flu shots will be given on November 6th.
Check with nursing if you have any questions.

Happy
Thanksgiving!

Schooner Tenant Profiles
Please give these folks a warm Schooner welcome!

Note: Some of our profiles do not have photographs included - it all depends on a tenant's preference.

Dennis & Dru Breton, apt. 501.
We welcome the Breton's to Schooner, from the town of Rumford. With their house being too much to take care of, they felt it was time to make the move.
The Breton's have one son. Dennis was a super at the Rumford paper mill and Dru, a surgical tech. Dennis enjoyed the hobbies of skiing and fishing while Dru's interests were in the Historical Society.
They are friendly folks and love people!

Lou LePage, stu. C101.
Lou is a lifelong resident of Auburn, and was on the Auburn Fire Department for around 25 years! Lou enjoys fishing, and is very much looking forward to having activities and good food as part of his new life here at Schooner.

Bill Dickie, stu. 116. Please make welcome Bill Dickie! Bill is from the Lewiston area, and had his own house painting business for many decades before retiring almost 15 years ago. Bill's adult children Troy and Colleen live locally with their families, and Troy's mother in law lived here for many years before her passing. Colleen's daughter worked here as well.
Bill is relieved to move someplace where he has 3 good meals a day, security and companionship.

Wanda Orino, apt. 334.
Wanda comes to us from Rumford. Sadly her spouse passed away 6 years ago. They had 4 children, 6 grandchildren, and 3 great grand children. Her house being too big and lonely helped her decision to move to Schooner. Before retirement Wanda was a nurse and then a homemaker. Her husband was a dentist. Reading is her favorite hobby. She loves people, so say hi when you see her!

Please welcome **Ed Lechner** to his new home in C108! Edward is the former owner of Selby Shoes in South Portland, a business his son Jeff now owns.
A social person, Edward finds activities like bible study, music and outings of interest.

Tom Jewett, apt. 629. Tom is a relation of our own Dianne Day, and is moving here from his current house in Vienna, near Belgrade Lakes. Tom is a former IT specialist, and enjoys fishing. Let's all welcome him!

Tom Bauer, apt. 426.
Tom moved here from his native Chicago, where he was a pharmacist before retiring. Tom is a man of great faith, and is very involved with volunteering at the Prince of Peace Parrish.

We are delighted to officially introduce our new Schooner transportation driver, Mr. Steve Lessard. Steve's role is the Monday through Friday fulltime driver. If you haven't met him already, please welcome him to our community! We are so happy to have him here.

Steve & our Resident Services Director, Shannon.
