## What Honor Flight Meant To Me

Our own David Cassidy and Mark Prevost were guardians on an Honor Flight Trip in June. The veterans and their guardians were transported to Washington, D.C. to visit the memorials and enjoy a weekend of well deserved, special treatment! It was the experience of a lifetime for the veterans and their guardians.

~ A note from Dianne Day, What a team effort on our “Longest Day,” June 21st celebration. Overall, the day grossed \$1728.85, tons of smiles and lots of reminiscing. Congrats and many thanks to all.

We started the day with a special breakfast, followed by a bake sale, special talks, music, and a fantastic antique car show by “Western Maine Street Rods”. The day was rounded out with a fabulous cookout. Everyone had a great time!

## And the Band Played on

The Auburn Community Concert Band will perform right here at Schooner, on our front lawn on Wednesday, August 29th at 6:15 p.m. They will play many favorite, well known songs, popular with both young and old. A performance sure to delight all! Refreshments will be available with profits going to the American Heart Association. Hope to see you there!

## A Road Trip to the “County!”

From Millinocket to the Caribou/Presque Isle area, a group of excited Schooner residents thoroughly enjoyed a 3 day get away trip to “The County” in Northern, Maine. Most of the Tenants on the trip had never been there. They all agreed, when you hear the Maine slogan.....“Maine, The Way LIFE Should Be,” people are talking about Aroostook County. “The people are just so nice,” ~ said one Tenant. “The miles of flowering potato fields take my breath away,” ~ said another. We traveled 825 miles, saw 2 Moose in the wild, 2 foxes, turkeys, Mt. Katahdin and many other mountains, fields, rivers, historic sights, the old Loring Air Force base along with great food and lots of it!

The County is truly GOD’S Country.

*Travel, as much as you can,  
as far as you can, for as long as you can.  
Life is meant to be explored.*
