Celebrate the 4th!

We'll be continuing the 4th of July holiday celebration this year, on July 12th, with an "Americana" cookout! This is our second cookout of the year, and as usual, Seth Lyons and his culinary crew will be doing it up in style. Featuring a spread of tasty, classic American dishes, you will be tempted to come back for seconds, of course!!

Invite a guest or two, pick up a ticket for them at our front desk. We can't wait to see everyone dressed in their favorite red, white and blue attire!

A Special Milestone

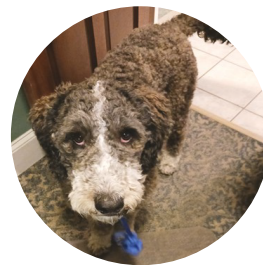

Congratulations goes out to Bruce & Nancy Bartlett, Schooner Searsport residents. They will be celebrating their 65th wedding anniversary on June 30th! We all wish them a very happy day!

Did you know...The 65th wedding anniversary has come to be associated with sapphires, which symbolize loyalty, wisdom, and inner peace. How nice!

Schooner Tenant Profiles

Please give these folks a warm Schooner welcome!

Thank you to all Schooner Tenants and Employees who help put together our wonderful Tenant Profiles! Let us know if you have any pictures you would like to share with us and have posted in the Schooner Flash.

Jim Gates, was raised in Weston, MA. but moved to Maine and spent many years in Waterville as a Middle and High School Drafting & Architecture teacher. Although he never had children of his own he truly enjoyed working with all his students and even took up a position as a water ski instructor during the summer. Jim's biggest passion was his work, so he also worked designing blueprints for old and new constructions. In his spare time he enjoyed playing racquetball. Jim's family thought it would be in his best interest to move here to Schooner and enjoy the amenities that it offers. He enjoys being able to walk around on the beautiful property. We welcome Jim to apt. 304.

Regent Bolduc, now residing in apt. 503, moved into his home on Lynn St. in Lewiston in 1963 with his lovely wife Pauline. Regent and Pauline were married for 60 years before she passed away in 2013. They had one son named Johnny who passed away at a young age. Regent was a self-employed contractor who enjoyed his work and later did all finish work. When living in his home he found enjoyment in making small furniture and maintaining his home inside and out. He felt that after this past winter the writing was on the wall and that taking care of his home was becoming a bit challenging due to some health issues. He likes living here at Schooner but certainly misses his tools and time spent working around the house.

Jackie Bouchard, apt. 207, recently moved to Schooner from Scarborough, but was raised here in Auburn on Hotel Rd. She married Roland Bouchard in 1948, and they had two daughters, Pam and Debra, and also has 2 grandchildren named Timothy and Katlin. Jackie worked as a stitcher at Knapp Shoe in Lewiston for many years and then went on to purchase the Biddeford Motel where her and her husband ran the business for 15 years. Her interests are playing cards and gambling any chance she has. It is taking time for her to adjust living here at Schooner but her daughters felt it was the best decision for their mom.

As summer begins, so does our extended list of warm weather outings and special events here at Schooner Estates. From visits to the coast, monthly BBQ's, concert outings, lobster bakes, and so much more, Schooner is the place to be for summer fun. The month of July promises to be just as great! Be sure to check your calendars for each and every event.
