All are free to the public and presented from April through October. Programs include narrated travel films, wildlife films, lectures, musical shows and more. Our shuttle leaves at 1:15 p.m. for the 2:00 p.m. show.

Please call the receptionist at 784-2900, ext. 100 to reserve a seat. Check out your activity calendars for all monthly show information.

Spot the Difference!

There are a total of nine differences between these two pictures of last year’s Americana Cookout! Can you find at least six? Answers on the bottom of page 2 (upside down.)

Employee Spotlight: Lindsey Maletto

If you don't recognize a resident in the Searsport, Camden or Castine Dining Room, just ask Lindsey. Chances are, she'll not only know exactly who they are, but also how they take their coffee, how cooked they like their meat, all of their food allergies, and more! That's because Lindsey, our dining room coordinator, is the lady in charge of making sure our residents get their food just the way they like it!

Lindsey has been working here at Schooner Estates for ten years, but was officially promoted to Dining Room Coordinator in just the last year. "I strive to make the Dining Room a pleasant place for everyone," says Lindsey. "From pretty linens to 'just hot enough' coffee to drink!" The great job she does never goes unnoticed. "My favorite thing about Lindsey is her natural ability to care for all of our tenants like they're her own family," says Seth Lyons, Director of Food Services. "She remembers all their appointments, likes and dislikes, friends and families all off the top of her head, it's quite impressive." Residents rave about Lindsey's great service, as well. "I love her, I think she's great!" says Bud Lewis. "She does her job better than anybody else possibly could."

In addition to her promotion, Lindsey has had some recent excitement in her life outside of Schooner: just last September, she married Matt, a man who grew up in the same town as Lindsey, but who only met her briefly in that time. "Fourteen years later, we reconnected, and we were married a few months later!" Lindsey and her adorable Arianna now live with Matt and his children, and things are going great for the big family!

Lindsey says that her favorite thing about working at Schooner Estates is "the sweet faces of the residents." She is grateful for the chance to hear our residents reminisce about their lives, and she looks up to them.

Next time you see Lindsey, don't forget to tell her "Thank You" for being a valued part of the Schooner Family!

Ponderisms...

Why is it that people say they "slept like a baby" when babies wake up like every two hours?"

Why are you IN a movie, but you're ON TV?

Why do toasters always have a setting that burns the toast to a horrible crisp, which no decent human being would eat?

I used to eat a lot of natural foods until I learned that most people die of natural causes.
