WE DID IT!

Several brave Schooner employees and residents were happy to participate in the world-wide challenge, the "ALS Ice Bucket Challenge", a worthwhile cause which is helping to raise funds and awareness for Lou Gehrig's Disease.

Our residents did the pouring and employees were the receivers! We are incredibly grateful to everyone who was willing to stand up to ALS!

EMPLOYEE EVENTS

Did you see the show? As part of October's Employee Appreciation month, Schooner held it's own version of the "Newlywed Game". Residents and employees alike had a great time! Congratulations to Lindsey and Carey, the grand prize winners!

Two energetic teams of Schooner employees participated in two vital walks in September to help raise awareness and funds for Alzheimer's care and the American Heart Association.

Thank you all for your amazing teamwork and contributions!

2014 CRAFT FAIR REVIEW

Our annual craft fair, held on October 18th, once again provided an exciting venue for Schooner residents and outside crafters to display their creative skills and crafty talents. The resident proceeds are added to the Camp Sunshine fund. Crafters tables lined the area, filled with beautifully displayed handcrafted items.

A special thank you goes to all who worked so hard, and contributed in any way to help make this day a success!

Early voting, right here in our Village Green is only but one of the many conveniences our residents enjoy. Easy & convenient!

~A Day Trip to Camp Sunshine

A group of our residents were excited to spend a morning at Camp Sunshine. Many give of their time throughout the year to raise scholarships for ill children and their families to attend this amazing camp.
