The Start of the Holiday Season

Before you know it, the holiday season will be officially underway. With the arrival of November, you can feel a change in the air. It's as if the weather is saying a quick goodbye to Autumn and beware, winter is on the way! We wish you all a happy Thanksgiving and the start of a merry holiday season! We hope you enjoy a delicious Thanksgiving meal in one of our beautiful dining rooms.

Our deepest condolences to those affected by the horrific shooting in Lewiston on October 25th. We are deeply saddened and are grieving for those who suffered the loss of loved ones.

A double rainbow graced the sky on October 17th. Were you one of the lucky ones to see it?
We need more rainbows in times like these...

Schooner Tenant Profiles

Please give these folks a warm Schooner welcome!

Thank you to all Schooner Tenants and Employees who help put together our wonderful Tenant Profiles. Since we had a long list of late move ins this month, more October move ins will be posted in your November newsletter. Have a great Fall season!

Margaret de Rivera describes her childhood as the typical Army brat upbringing. She remembers moving frequently and calling lots of places home.

Margaret and her husband met in Pensacola, Florida while working in the field of psychology. She took a break from her graduate work to raise her family but was eventually able to complete her course of study at Stanford University. Margaret has 4 children, 15 grandchildren and 5 great grandchildren.

Prior to moving to Schooner Estates she was living with her daughter's family where they owned and operated the Inn by the River in Hardwick, Vermont. She also has fond memories of living in Orland, Maine for many years.

Margaret likes nonfiction books, documentaries and is interested in environmental matters.

Frances Coombs grew up in South Paris, Maine. She moved to South Berwick after getting married, before moving to Fryeburg in 1966. Frances was married for 52 years. She has 4 children, 4 grandchildren and 2 great grandchildren with one more on the way.

After taking care of her family Frances and her husband ran an antique business called "Yard Sale by Coombs" together for 27 years, before she ran on her own for 10 yrs. While living in Farmington Frances enjoyed going to the fair. She enjoyed the horses and watching the woodsman show.

Frances says she loves how nice all the people are at Schooner.

Jean Carlton, residing in C103, is a self-professed “snowbird”. She lived in Stratton, Maine for 66 years, while wintering in Saint Petersburg, Florida for many of those years.

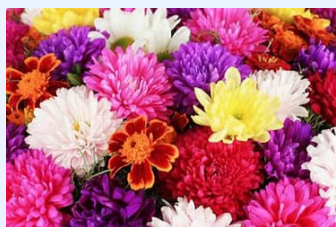

She was married to Earle Carlton and has one daughter named Bonita, who lives in Wells, Maine with her husband John Harbottle. She has a granddaughter Jennica and a grandson Jarred.

Jean worked in a shoe factory for over 25 years with the help of her mother and sister Bonnie. Bonnie moved in with the family to help with the house and children. She enjoys her time at Schooner and was so happy to meet her friend Winnie on her first day here.

Flu and cold season is upon us. Remember to drink lots of fluid and get plenty of rest.

A note to all residents and employees: Inform our nursing department right away if you are not feeling well. Here at Schooner we have containers of fresh, fruit flavored ice water available daily. Visit our Camden & Castine coffee bar areas. Hydration is also important during the winter months.

Stay Healthy!!
