~ A MAINTENANCE NOTE ~

For the approaching winter months...

If you must open your windows, please open them from the top only, to keep pipes from freezing.

Thank you!

Geraldine Tinkham, 517

Longtime Auburn resident Gerry is turning 95 very soon! Gerry was an active volunteer at the Good Shepherd Food Bank for many years and they had a huge party to celebrate her on October 22nd. She is very active in the local Methodist church, and also knows a few residents here. She is known as the "pie lady" for her love of baking and giving wonderful homemade pies. Gerry is delighted with apartment 517, and feels very good about this move! We're so glad to have her here with us!

Flu and cold season is upon us. Remember to drink lots of fluid and get plenty of rest. A note to all residents and employees: Inform our nursing department right away if you are not feeling well. Here at Schooner we have containers of fresh, fruit flavored ice water available daily. Visit our Camden & Castine coffee bar areas. Hydration is also important during the winter months. Stay Healthy!!

Schooner Tenant Profiles
Please give these folks a warm Schooner welcome!

Note: Some of our profiles do not have photographs included - it all depends on a tenants preference.

Thank you to all Schooner Tenants and Employees
who help put together our Tenant Profiles!

Do you have a fond memory of a special time in your life that you would
like to share, maybe a photo or two? Just let us know,
we will be happy to put it in our monthly newsletter.

Elliot Afes, apartment 431. Elliott recently moved to Schooner and has lived in the Lewiston Auburn Area his whole life. He never married and has no children or family nearby; his relatives are spread out. He does have friends that live locally and come to visit. Elliot moved to Schooner because his family had concerns about him living alone, and he likes the idea of having a community around as well as someone nearby in case of an emergency.

Before retiring he worked in a shoe shop and for the Parks and Recreation, where he really enjoyed working with the youth sports teams. Elliot likes Playing bridge and plans on checking out the bridge club. He also enjoys a good game of pool, so if you want to use the Billiards Room give him a call! Welcome to Schooner Estates, Elliot.

Diane McLafferty, studio 203 recently moved to Schooner Estates; she has lived in Auburn, Maine for the past 30 years and is originally from Massachusetts. Diane decided she would much prefer to be around other people than live alone. Diane was married for 30 years before losing her husband and has three children and eight grandchildren, whom she speaks very highly of. Diane was a secretary at the Auburn Housing Authority, where she was employed for 14 years. She loved gardening and still enjoys going shopping with friends, watching her grandchildren play sports, doing puzzles and playing cards. Diane is a very upbeat individual and seems to really enjoy life. Welcome Diane!

Marjorie Hansen, apt. 516
has been on our Mariner's list since 2008, and knows many residents and team members here in our community. Marjorie is a former RN, and she and her husband raised her family of three boys here in Auburn. We are happy to have her here!
